

Uzdevumi.lv (in English)

Language(s) available	Latvian
Category	Platform, Teaching materials
Type of Resource	Exercises and theory on visual arts
Author(s)	SIA „Uzdevumi.lv”
Country of origin	Latvia
Date and origin	2019
Targeted group	Educators, the education community
Description	The education portal Uzdevumi.lv offers theory, assignments and tests in subjects for grades 1-12. For each task, the portal provides multiple-choice questions and answer explanations to help children master the topics and ensure a self-directed learning process. The portal's content is developed by teachers in accordance with Latvian education standards and the material base is regularly updated and supplemented.
