Description	<p>VTS has been developed and refined over the past 30+ years based on ongoing research by VTS co-founder, Abigail Housen. Abigail and co-founder Philip Yenawine first developed VTS as an effective teaching strategy based on her theory of aesthetic development.</p> <p>Abigail's theory describes the viewer's experience of the visual world, specifically of visual art. Her work is based on over 4,000 subject interviews, as well as published, peer-reviewed research. Abigail's research has influenced every aspect of the VTS program which was developed to accommodate the strengths and needs of viewers at different aesthetic stages.</p>
