

# EdPuzzle

Language(s) available	English, Catalan, Indonesian, Malay, Spanish, Italian, Portuguese, Romanian
Category	Tool, Teaching materials, Platform, Accessibility, Resources
Type of document	Web platform
Author(s)	EDpuzzle, Inc.
Country of origin	Spain
Targeted group	Teachers, learners
Description (150 words maximum)	Create interactive video lessons, editing your own videos or existing ones, to use in the classroom. You can embed questions, audio notes or tracks and comments on the video. The videos can be used for flipped classrooms or for study at home. Allows more flexible learning and generates data showing students' progress. In EdPuzzles Originals you can find user-generated ESL video content. Can be incorporated into most learning management systems. Free of charge.
