

GLI ASINI

gli asini

Language(s) available	Italian
Category	Platform
Type of document	Online magazine
Author(s)	Goffredo Fofi (founder) Documentation Center of Pistoia
Country of origin	Italy
Date and origin	2011/2012
Targeted group	Anyone who is interested in politics, education and culture
Description	<p>“Gli asini” is a magazine about culture, politics, education and society. Each two months it’s possible to read new articles related to current situations in Europe and in the world. People can read it online or buy it in paper format. The majority of the articles are free online, but anyone can subscribe and read the whole magazine. What’s interesting about such a magazine is the variety of subjects and the clarity of the writing. Each article is accompanied by an image.</p>
